### Brownfield

#### Qualifications
- This property tax credit is granted based on the following requirements:
  - The property must be designated by the Maryland Department of Business and Economic Development (DBED) as a "qualified Brownfields site" eligible for the Brownfields Revitalization Incentive program.
  - The Maryland Department of the Environment, must issue a letter indicating that no further cleanup will be required. This letter may be issued under the Maryland Voluntary Cleanup Program or under the Maryland Oil Control Program.
  - If the recipient received a certificate of completion under Maryland’s voluntary cleanup program, the recipient must maintain approval of a response action plan and a certificate of completion under Section 7-512 and 7-513 of the Environment Article of the Annotated Code of Maryland.
  - The recipient must maintain all City taxes, water, sewer, and other charges and assessments due to the City on a current basis.

**Brownfields Incentive Fund** means the Brownfields Revitalization Incentive Fund established under Article 83A, § 3-904 of the Maryland Code.

**Brownfields site** means a qualified Brownfields site, as defined in Article 83A, § 3-901(d) of the Maryland Code.

Increased property tax liability means the remaining property tax liability, after first applying all other property tax credits applicable to the site, attributable to the increase in the assessment of a Brownfields site, including improvements added to the site within the tax-credit period, over the assessment of the Brownfields site before its voluntary cleanup.

#### Amount
- This credit applies in each of the taxable years immediately following the 1st revaluation of the Brownfields site after completion of a voluntary cleanup or corrective action plan, for a total of:
  1. If the property is located in a designated Enterprise Zone, 10 taxable years.
  2. The amount of the tax credit is 50% of the Brownfields site’s increased property tax liability.
  3. An additional credit of 20% of a Brownfields site’s increased property tax liability shall be granted if the aggregate cost of the site’s purchase and the voluntary cleanup or corrective action plan efforts equals or exceeds $250,000.
  4. The credit may be transferred to a purchaser of the property for the remaining term of the credit.

An application for this tax credit must be filed in the 1st taxable year in which the property qualifies.

#### Term
- Five Years and extended to 10 years if property is located in the Enterprise Zone

### Conservation Property

#### Qualifications

Conservation property is defined as land that is:
- (1) unimproved;
- (2) not used for commercial purposes; and
- (3) subject to a perpetual conservation easement that is:
- (i) donated to the Department of Natural Resources or the Maryland Environmental Trust and identifies the Department of Natural Resources or the Maryland Environmental Trust as a grantee under Title 3, Subtitle 2 of the Natural Resources Article; and
- (ii) accepted and approved by the Board of Public Works after June 30, 1986.

#### Amount

The property tax credit shall be granted against 100% of all property tax that otherwise would be due. The tax credit is effective for 15 consecutive tax years beginning July 1 following the donation of the easement.

### Enterprise Zone

#### Qualifications

Real properties qualifying for this tax credit are those that are:
- Not used for residential purposes;
- Used in a trade or business by a business entity that meets the requirements of § 5-707 of the Economic Development Article; and
- Located in an enterprise zone that is designated under Title 5, Subtitle 7 of the Economic Development Article.

#### Amount

Eligible assessment means the difference between the base year value and the actual value as determined by the Department of Assessment and Taxation for the applicable taxable year in which the tax credit is to be granted.

For a business entity that is located on land or within improvements owned by the federal, State, county, or municipal government, "eligible assessment" means the difference between the base year value and the actual value reduced by the value of any property entitled to an exemption under Title 7 of this article as determined by the Department for the applicable taxable year in which the tax credit under this section is to be granted.

The amount of the tax credit equals the amount of property tax imposed on the eligible assessment of the qualified property, multiplied by the following:
- 80% in each of the 1st 5 taxable years following the calendar year in which the property initially becomes a qualified property;
- 70% in the 6th taxable year;
- 60% in the 7th taxable year;
- 50% in the 8th taxable year;
- 40% in the 9th taxable year; and
- 30% in the 10th taxable year.

For qualified property located in a focus area, the tax credit is equal to 80% of the amount of property tax imposed on the eligible assessment of the qualified property for each of the 10 taxable years following the calendar year in which the property initially becomes a qualified property.

## Home Improvements

| Qualifications | In accordance with the provisions of State Tax-Property Article § 9-304 (e) the home improvement tax credit is granted to residential real property that:
|                | (i) is owned by a homeowner;
|                | (ii) has been substantially improved since the last reassessment; and
|                | (iii) is reassessed at a higher value.
|                | - To continue eligibility for this tax credit, the dwelling must remain in compliance with the local housing code.
|                | - If a dwelling owned by a person who has received this tax credit is found to be in violation of the local housing code, the property owner is not eligible for any further tax credit until the dwelling is determined again to be in compliance with the local housing code.
|                | - If a dwelling that is eligible for this tax credit is transferred, the grantee is eligible for the balance of the property tax credits in the same manner and under the same conditions as the grantor of the property.
|                | - The property tax credit may not apply to the value of the improvements to the dwelling that exceed $100,000.
|                | - To receive this tax credit, the homeowner shall have the burden of showing that the increase in assessment is due to the value of the improvements to the dwelling that were made since the last assessment of the dwelling.
| Amount         | This property tax credit shall equal the amount of City's property tax imposed on the increased value of the dwelling that is due to the improvements made to the property, multiplied by:
|                | (i) 100% for the 1st taxable year;
|                | (ii) 80% for the 2nd taxable year;

### Arts and Entertainment Districts Property Tax Credit

**Qualifications**

This program is designed to encourage the renovation of buildings for use by artists or arts and entertainment enterprises by lessening the financial burden on property owners. Baltimore City currently has three Arts and Entertainment (A&E) Districts: (1) Station North; (2) Highlandtown; and (3) Bromo Seltzer. The program provides:

1. A 10-year tax credit against the property tax imposed on a building located in a designated A&E District, wholly or partially renovated, and used by a qualified residing artist or A&E Enterprise;
2. The credit begins with the first reassessment after the completion of the qualifying improvements made to the property.

This tax credit cannot be applied to any property for which any other tax subsidy from the City is being received or has been applied for, other than a Maryland Enterprise Zone Tax Credit. The credit is prorated to reflect the proportion of the building used by a qualifying residing artist or an arts and entertainment enterprise. This property tax credit is transferable to a purchaser of the property for the remaining term of the credit, provided the property continues to meet the continuing eligibility requirements.
The credit period begins after the first reassessment of the property by the State after the completion of qualifying renovations. Improvements Not within a State-Designated Enterprise Zone: The amount of the credit granted is the amount of property tax imposed on the eligible assessment related to the improvements on the property, multiplied by:
1. 80% for the first 5 taxable years;
2. 70% for the 6th taxable year;
3. 60% for the 7th taxable year;
4. 50% for the 8th taxable year;
5. 40% for the 9th taxable year;
6. 30% for the 10th taxable year; and
7. 0% for each subsequent year.

Improvements within a State-Designated Enterprise Zone: The amount of the credit granted is the amount of property tax imposed on the eligible assessment related to the improvements on the property, multiplied by:
1. 20% for the first 5 taxable years;
2. 30% for the 6th taxable year;
3. 40% for the 7th taxable year;
4. 50% for the 8th taxable year;
5. 60% for the 9th taxable year;
6. 70% for the 10th taxable year; and
7. 0% for each subsequent year.
